

Schedule A to the Hire Agreement for the Gundaroo Soldiers Memorial Hall

1. Hire period, Fees and Insurance

a) Hire

The client agrees to hire (please delete non applicable item)

- i) the hall, and
 - ii) the kitchen,
- from.....to.....("hire period")

b) Fees and charges

- (i) The client acknowledges that a hire fee of has been deposited in the The Gundaroo Soldiers Memorial Hall Management Committee Commonwealth Bank Account.
- (ii) The client agrees to lodge a \$200 bond (\$300 if alcohol is to be served). The Committee may use the bond to offset any cost in the repair or replacement of damaged or broken equipment. The bond will be repaid in full or in part on completion of an inspection after the hire period.

c) Insurance

The client is required to obtain their own public risk insurance. The committee can advise a source for this insurance policy (approx. cost \$220) or the client may negotiate with other underwriters. The client agrees to show proof of a current valid public risk insurance policy prior to the hire period.

2. Client responsibilities

- (i) The client agrees to replace, at the clients cost, any broken or damaged equipment, furniture, fixtures or fittings of the hall and/or the kitchen.
- (ii) The client understands that no alcohol is to be sold under the terms of this agreement. Alcohol may be consumed in the hall and the kitchen. The client agrees to the conditions for the responsible service of alcohol, particularly age of consumer and quantity consumed.
- (iii) The client agrees that parking for the hire period will be on the road sides only and not in the shop/PO parking area beside the hall and that after midnight, music will be turned down to "background noise level" only.
- (iv) On departure the client will ensure:
 - (a) **To turn off the water pump, all lights, heaters (if used) and the gas supply in the kitchen, and**
 - (b) To clean and lock the toilets, to clean the hall and kitchen, to return all furniture to where it originally was and to take all rubbish with you, and
 - (c) To hang the keys on the back of the front door, locking the padlock in place as you leave.

3. Operational details

There are 2 keys:

- Front door padlock (also the padlock on the cupboard in men's toilets which contains cleaning products & equipment, including spare toilet paper)
- Toilets (both men's & women's)

Water Pump

- Switch is located on left wall at the back of the stage
- This pumps water for toilets and all taps including the kitchen

Lights

- Most light switches are on the panel in the entry foyer of hall
- The extra string of lights in hall ceiling is operated from power-point switch on right hand side of stage and has a dimmer attached
- External floodlight switch is above the doorway from the supper room to the side paved area
- Toilet lights are on the hall foyer panel (indicator light in the foyer as well)

Heaters

- There are 4 main gas heaters on the walls of the hall
- You will be shown how to operate them at the time of key collection

Kitchen

- Lights on wall in kitchen
- Gas supply to stove & ovens is operated by lever to the right of oven, near floor. Gas flows when the lever is in line with the gas pipe, and gas flow stops when lever is turned to be at right angle to the gas pipe,
- Oven has pilot light which needs lighting.
- Hot water in sink is an instant gas hot water system (gas supply is activated in the same way as for the stove/oven – see above lever instructions)
